Profile

I'm a passionate Front-End Developer who loves turning ideas into clean, responsive, and user-friendly web experiences. I work with modern technologies like HTML, CSS, JavaScript, and React to build interfaces that are both visually appealing and performance-driven. I enjoy learning, problem-solving, and creating products that users actually love to use.

Professional Experience

2023 – Present	youth volunteer , Udaan Fellowship <i>Synergy sansthan</i> Conducted sessions with adolescents and youth on career awareness, health, and life skills. Supported the organization of community meetings, awareness drives, and educational workshops. Guided youth in digital learning, career counseling, and personality development.
----------------	--
